Providing Educational Support to Low Income Family Children in Mercer County, NJ

A2Z Mentoring Program, a 501(c)(3) non-profit organization, has been successfully operating in Mercer County since 2004. We provide mentoring/tutoring to underprivileged children from low income families who are in grades 1 through 12. We mentor the students in the fields of Math, Science, Reading and Writing English in Hightstown, East Windsor, Ewing and Lawrenceville. This program has proven to have a significant and positive impact on the lives of both the mentors and the students. An important aspect of the program is the emphasis on improving life and study skills, enhancing self-esteem, and introducing the pleasures of life-long learning in students.

A2Z's diverse group of trained, dedicated, caring and committed volunteers mentor/tutor students on a one-on-one basis throughout the year. A2Z focuses its efforts on those students who will benefit the most from our program.

A2Z welcomes adults and college/high school students from the community to join the A2Z mentoring program in order to mentor young students and earn community service hours for rendering their services.

NOTE: Volunteers will not start mentoring without the training offered by A2Z Mentoring Program. Volunteer registration forms will be available on A2Z's website. Print and fill out forms. Submit them to the supervisor at the Ewing session.
