A2Z Mentoring Program, a 501(c)(3) non-profit organization, has been successfully operating in Mercer County since 2004. We provide mentoring/tutoring in a one-on-one format to children from low income families who are in grades 1 through 12. We mentor students in the fields of Math, Science, Reading and Writing in Hightstown, East Windsor, Ewing and Lawrenceville locations. A2Z's volunteers are committed to giving the underprivileged a chance at a better future.

Thank you all from the Seva Team
