Providing Educational Support to Low Income Family Children in Mercer County, NJ

A2Z Mentoring Program, a 501(c)(3) non-profit organization, has been successfully operating in Mercer County since 2004. We provide mentoring/tutoring to underprivileged children from low income families who are in grades 1 through 12. We mentor the students in the fields of Math, Science, Reading and Writing English in Hightstown, East Windsor, Ewing and Lawrenceville. This program has proven to have a significant and positive impact on the lives of both the mentors and the students. An important aspect of the program is the emphasis on improving life and study skills, enhancing self-esteem, and introducing the pleasures of life-long learning in students.
